Shepherd Hill Regional High School

"...committed to excellence with pride and unity."

Core Values: "Committed to Excellence" Shepherd Hill Regional High School is dedicated to educate, challenge and empower students to succeed in the 21st century. With "Pride and Unity", we foster intellectual achievement, civic responsibility and personal growth.

Beliefs about Student Learning: Through quality instruction in a safe and stimulating learning environment, we encourage students to be inquisitive, resourceful, and responsible learners. By cultivating respect and a strong work ethic, we are confident that our students will excel in the present and meet the demands of the future.

Principal's Message — William F. Chaplin, Jr.

Life in New England is a joy—we get to experience all of these great variations in weather. This past February was one of the warmest—hopefully the trend will continue into a quick dry Spring. I hope you all had time to enjoy those days with friends and family and some extra laughter.

Returning from February vacation begins a period of time that can be a very hectic and busy spring. Time generally flies by and we have to remind ourselves (all of us) once again the importance of having a "strong finish" to the school year.

As the month gets underway, I ask that you mark your calendars for our **Second Annual Shepherd Hill Learning Showcase**. This will take place on Thursday, March 26 (details can be found on the next page). This event will take the place of our Spring parent-teacher conferences for the 2019-2020 school year. This event is designed for our community to come in and see what learning looks like within the halls of Shepherd Hill. We look forward to seeing you on this night.

As we pass the midpoint of the third marking term, it is time to begin preparations for the 2020-2021 school year. Over the next month teachers will continue to provide students with recommendations for next year's courses and students will begin meeting with guidance counselors to select classes for the next school year. In order to assist students and parents with this process, five career pathways (Arts, Business, Communication, Innovations Pathways, and Global Studies) have been developed to enable students to fulfill graduation requirements while providing for individual interests, needs, career goals and most importantly "real world relevant industry exposure" to connect back to the curriculum. The Pathways Programs continue to evolve with the expansion of Project Lead The Way in Biomedical Science (4th year) and Engineering and Manufacturing (2nd year). We are very fortunate to have these programs at Shepherd Hill to allow our students the important industry based exposure and immersion to these potential career paths.

Our *Program of Studies* will be finalized and approved in the coming weeks and a message will go out to all students and parents to view it on the website when it is finalized. Please contact your child's guidance counselor if you have any questions.

We look forward to seeing you on March 26th. Be well!

Shepherd Hill Regional High School has been awarded a $327,255 Skills Capital Grant from the Baker-Polito Administration

Governor Charlie Baker and Lt. Governor Karyn Polito announced on February 25th of the $14.6 million in Skills Capital Grant awards to 54 educational institutions to update equipment and expand student enrollment in programs that provide career education. "Skills Capital Grants help preserve the Commonwealths talent pipeline by funding expanded enrollment and equipment upgrades at educational institutions to provide more students with in-demand skills sought by employers", said Baker. Shepherd Hill will be using the funds to upgrade and enhance their Innovation Pathways Programming in Engineering and Manufacturing. Principal William Chaplin reported that this award will go to very good use and more importantly provide our students many more opportunities to create "real world relevant exposure to today's engineering and manufacturing industry. Over the last several years we have expanded our offerings within Engineering, Manufacturing, and the Biomedical Pathways. We look forward to showcasing our Manufacturing and Fabrication Lab to the community in the Fall during one of our open houses.

SOMETHING FOR EVERYONE

Please save the date for the upcoming "Learning Showcase" to be hosted here at Shepherd Hill. This is a great time for families of current and future Shepherd Hill students to see the tremendous things our students have accomplished this year and to learn about some of the opportunities available to our students.

In addition to a chance to view student work and meet our teachers, the guidance department will be hosting a number of informational sessions.

5:30 **8th Grade Course Selection**. Overview of course selection for incoming freshmen (all current 8th grade students are invited). Learn about levels, course sequences, pathways and certificate programs. Meet the teachers afterwards.

6:00 – 8:00 **Meet our Teachers**….view student work, check on your child's progress, learn about our curriculum offerings and plan for next year!

6:30 – 8:00 **College Fair**. Gather information and meet admissions officers from colleges and universities throughout New England, as well as technical and trade schools and military recruiters.

5:30 **College Planning**. Learn how to find the right college for you, how to apply, and ways to make yourself an attractive candidate (for all current students in grades 9-11)

6:00 **Financial Aid Literacy Session presented by Citizens Bank**. This session helps families understand how to maximize financial aid, scholarships and grants. It explains financial aid, the process of filling out the FAFSA and the options for financing an education.

Upcoming College Fairs in the Area

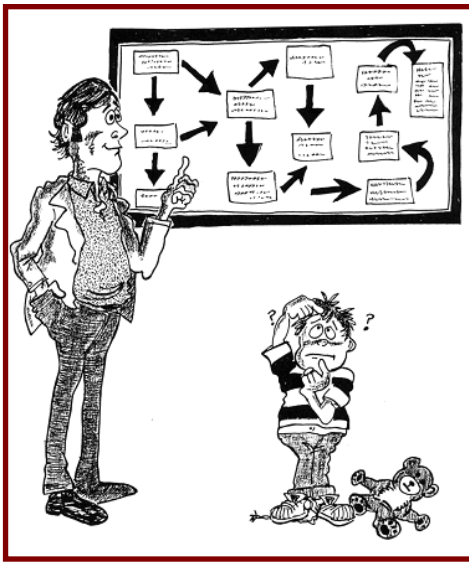
Student Parking Lot

Between 7:00 am & 2:30 pm

Reminder: Parents and visitors are asked to please ONLY park in the visitor parking spots between the hours of 7:00 a.m. and 2:30 p.m. to prevent students who paid $200 for a parking spot from being displaced. Thank you for your assistance.



2020-2021 Scheduling Procedures

The **2020-2021 Course Description Catalog** is available to families on-line at www.dcrsd.org:

- From "Schools" tab, select, Shepherd Hill Regional High School
- Left side menu, select, "Guidance Information"
- Click, "2020-2021 Course Description Booklet

We will have course description booklets available for students who do not have access to the internet. Carefully plan your coursework requests—your selections help determine the number of sections needed for any course selection. With any scheduling conflict, alternative electives will be used to fill the schedule. Please note that there are very limited opportunities to change elective offerings after the schedule has been finalized.

2020-2021 Course Selection

The Guidance Department will be commencing scheduling shortly after break beginning in March. Teacher recommendations have been put in and can be accessed through the student and parent portals. Student and parents may approve or not approve a recommendation and can input comments. Please review recommendations. The Program of Studies is available on the school website as well as scheduling sheets for each grade.

It is important to know that grades 9-11 should schedule 6.50 credits and seniors should schedule 6.00 credits. A brand-new tool called Naviance Course Planner 2.0 is now available to assist students and parents in mapping out their high school career in the pursuit of completing graduation requirements. Naviance is available to all students and parents. If you are unsure how to get on please contact your student's counselor.

As Shepherd Hill was awarded an Innovation Pathways Designation school, the Engineering and Biomedical Certificates will be changing. Students will need to complete two technical and two advanced courses as well as a Senior Capstone project and MYCAP (My Career and Academic Plan). Naviance will be utilized as our platform for MYCAP. These two pathways are in Naviance Course Planner 2.0 and the new Program of Studies book. Students will be presented of these new opportunities in the coming weeks.

Even though teachers recommend in February a recommendation can be changed at the end of the year for any number of reasons moving a student up a level or down a level. Should you have concerns, please contact your student's counselor by the end of the year.

We have a number of new courses planned for next year. AP Seminar will be the first course in the AP Capstone Series. Students who complete AP Seminar can continue on to AP Research or they can stop at AP Seminar. PLTW Biomedical Innovations serves as a Capstone class. In order to take PLTW Principles Engineering students must complete Introduction to Engineering. Statistical Reasoning Through Sports can serve as one of a students four credits in math.

New Courses for 2020-2021

- PLTW Principles of Engineering (H)
- PLTW Biomedical Innovations (H)
- AP Physics C
- Statistical Reasoning Through Sports (CP)
- AP Capstone (AP Seminar & Research)

Students will select electives to reach the minimum credit caseload as follows:

Freshmen 6.50 Sophomores 6.50 Juniors 6.50 Seniors 6.00

Seal of Biliteracy

Congratulations to the following students who will be awarded the Massachusetts Seal of Biliteracy: **Allie Provost, Emily Waterhouse, Zabeille Acosta-Bernazar, Evan Donovan, Hannah Guerin, Madison Hill** and **Ryan Moore!** These students have all proved their proficiency in a second language (Spanish) in the areas of reading, writing, listening and speaking and will have a Seal placed on their transcript signifying they are biliterate. This is quite an accomplishment! These students are the first group at Shepherd Hill to achieve this honor.

Join DC-SEPAC for a Person Centered Planning workshop with PCP Facilitator Cheryl Chan

April 7, 2020 at 7 pm at Charlton Middle School

Each one of us dreams of living independently and with dignity, to the best of our ability and with the supports we need to be safe and happy. Person-centered planning provides the way to develop a structured plan that honors a person's own vision for their future first and foremost; and accounts for those things that are important to and important for them.

Cheryl Ryan Chan is, first and foremost, Mom to Nicky—a 26-year-old man severely impacted by autism. Cheryl has spent 20 years in Massachusetts, integrating her son and family into the disability community and becoming a well-known leader in community organization, legislative activism, mentoring and public speaking. She has served on Boards for a number of nonprofit human service providers, mental health providers, and Support Centers. Her work as a Person-Centered Planning facilitator began in 2010 and has become her greatest passion. Cheryl has been trained in Person-Centered Planning in Toronto and New Hampshire, and is working toward certification as a Master Facilitator. Cheryl has traveled to present in Wisconsin, Maryland, California, and across New England.

Global Awareness

Shepherd Hill will once again provide students with opportunities to encounter new cultures, practice different languages and marvel at historic landmarks. An international perspective and awareness will contribute to the success of our students in the ever-shrinking world and the globalized economy of the 21st century. **This year's group of 116 students will visit Eastern Europe during the April school vacation**. Passports have been applied for, payments have been made and anticipation is growing. The final fundraiser will be a:

SHRHS Cafeteria

Change your clock,

With winters end hopefully in sight, we can look forward to longer and warmer days. In the month of **March** we also change our clocks when daylight savings begins on the **8th.** With that we are reminded to "**Change your Clock-Change Your Battery**" in your home smoke detectors and that smoke detectors save lives only if they are operating properly.

All homes need to have smoke alarm at least on each level of the home and most need to have carbon monoxide alarms. Maintaining these alarms is important as they can't help if they don't work. As you change your clock for daylight savings time, we ask that you test each alarm in your home; just push the test button on each detector to ensure it works. If the detector is battery powered, change it with a new battery and if they are powered by a 110 volt circuit the alarm still has a backup battery so don't forget to change that one. If the smoke alarm is greater than 10 years old it's time to replace it with a new photoelectric sealed battery detector and if the carbon monoxide alarm is greater than 7 years old it's time to replace that one too.

These alarms need maintenance so push the test button once each month to ensure they continue to operate, vacuum the unit to clear out any dust that may have built up inside the unit and if the unit is "chirping" it's time to change the battery.

Massachusetts law prohibits operators of motor vehicles from using **any** electronic device, including mobile telephones, unless the device is used in hands-free mode. The "hands-free" law is effective as of February 23, 2020. **Penalty for violating the hands-free law:**

- 1st offense – $100 fine.
- 2nd offense – $250 fine, plus mandatory completion of a distracted driving educational program.
- 3rd and subsequent offenses – $500 fine, plus insurance surcharge and mandatory completion of distracted driving educational program.

What does this mean for me?

Drivers who are 18 and over

- Can only use electronic devices and mobile phones in hands-free mode and are only permitted to touch devices to activate hands-free mode.
- Not permitted to hold or support any electronic device/phone.
- Cannot touch phone except to activate the hands-free mode and can only enable when the device is installed or properly mounted to the windshield, dashboard, or center console in a manner that does not impede the operation of the motor vehicle.
- Not allowed to touch device for texting, emailing, apps, video, or internet use.
- Activation of GPS navigation is permitted when the device is installed or properly mounted.
- Handheld use is allowed only if the vehicle is both stationary and not located in a public travel lane, but is not allowed at red lights or stop signs.
- Voice to text and communication to electronic devices is legal only when device is properly mounted; use of headphone (one ear) is permitted.

Drivers who are under 18

- Are not allowed to use any electronic devices. All phone use while driving is illegal, including use in hands-free mode.

For more information visit **MassGov/ Handsfree**

Operators may use a cell phone to call 911 to report an emergency. If possible, safely pull over and stop before calling 911.

DNA Extraction

Biology students in Ms. Ceminski, Mrs. Macaruso-Carignan and Mrs. Lebeau's class were visited by two scientists from Illumina. Matt Welch and Karen Israel spoke with students about the company and the groundbreaking DNA sequencing that is used in many hospitals and labs throughout the world. Illumina's goal is to apply innovative technologies to analyze genetic variation and function while sequencing DNA. Matt and Karen demonstrated how to extract DNA from strawberries. Students then extracted DNA from strawberries the following day in class!

The Shepherd Hill Journalism program, *Hill TelegRam,* was on live TV on Channel 5 WCVB Boston on Tues., Feb. 25! Shepherd Hill was selected to do the eye opener segment — it was a brief 10 second segment saying who we are and then just "Good Morning Eyeopener!" Albeit brief, it is a really great experience for the students and another positive reflection of our school.

Youth Art Month Flag Design Contest
"Take a Journey Through Art" 2019-20

It is with great excitement to inform you that **Haylee Wagner** (grade 12) was chosen as the Youth Art Month Flag Grand Prize Winner! She will have a print of her design displayed during the Youth Art Month Show, along with her design as an actual flag.

Haylee will be awarded at a ceremony during the Friends and Family Day on Sunday, March 1, at the State Transportation Building. She will receive $250 in Sargent Art Supplies, as well as $500 in Art supplies for Shepherd Hill's art room.

Jesslyn Croteau (grade 12) and **Olivia Mountain** (grade 10) each received Honorable Mention for their flag design. These students will have a print of their designs displayed during the Youth Art Month Show.

2020 Winter Percussion & Winter Guard Home Show

March 22nd 12:00
Shepherd Hill Gym

On March 22nd, Shepherd Hill will come alive with the sounds of some of the greatest percussion groups in the area competing in front of some of the best judges in the percussion world. SHMPA will be host to 27 schools from around the state competing for their best score of the season as they enter into finals week. Shepherd Hill Winter Percussion and Winter Guard will have the opportunity to perform on their home turf in front of their home crowd for the first time all season. Come one, come all to support this fantastic group of performers and cheer them on as they take the floor for their 2020 Home Show and NESBA competition!

SHMPA wants to wish the Winter Percussion and Winter Guard a wonderful show! This is your opportunity to showcase all of your hard work and to shine for the Shepherd Hill home crowd! GOOD LUCK! YOU ALL MAKE US PROUD!

SHMPA would like to ask all music department families and students to help by volunteering or donating a food item for this event. With this being a SHMPA event, all music students benefit from the funds raised at this competition. It's truly a win/win for everyone! Please use the link below if you are able to help out. Thank you in advance for your consideration and for helping to support our music department.

The Shepherd Hill Winter Guard and Winter Percussion traveled to Dartmouth MA for competition on February 22nd.

- The Winter Guard placed 3rd with a score of 73.15 in National Scholastic A Class with their 2020 program "What's The Buzz?"
- The Winter Percussion placed 4th with a score of 72.75 in National Scholastic A Class with their 2020 program "Guess Who."

Both teams will be traveling throughout the month of March across Massachusetts and New Hampshire competing and we continue to wish them luck on their endeavors to bring the best score home.

The Shepherd Hill Jazz Band will be attending their first MAJE Festival on Tuesday, March 3rd in Marshfield, MA. This will be the beginning of their winter/spring performance schedule. They have been spending the last several weeks expanding their repertoire for several future community performances.

Academic Excellence Continues in Winter Sports

The winter sports' teams have continued the academic excellence that started in the fall. Ten of our sports teams this winter qualified for an MIAA Academic Award. This is an awesome accomplishment! The term 2 GPA for the Athletic Department is a 3.28. Great job! We are proud of their efforts in the classroom as well as on their sports teams. The following teams have achieved academic excellence and each athlete will be receiving the following certificates:

Gold Level Academic Excellence Awards
3.00-4.00 unweighted GPA for the second quarter

Team - Coach
Girls Varsity Basketball – Coach Maura Hackenson
Girls JV1 Basketball – Coach Timothy Howard
Girls JV2 Basketball—Coach Christian Hanson
Girls Indoor Track – Coach Nicole Fossas
Varsity Cheer—Coach Loretta Andre
Boy's Indoor Track—Coach Len Harmon
Varsity Boys Basketball—Coach Mike Byrnes
JV1 Boys Basketball—Coach Mike Rapoza
Wrestling—Coach Ray Ayotte

Silver Level Academic Excellence Awards
2.50-2.99 unweighted GPA for the first quarter

Team - Coach
Boy's JV2 Basketball – Coach Dylan Pella

Congratulations to all the athletes and coaches on a job well done!

All candidates must have an up-to-date physical on file in the nurse's office. Physicals must be dated within the last 13 months. Eligibility expires 13 months from the date of your last physical, even if mid-season. Please plan accordingly and schedule your appointments prior to that expiration. **Candidates will not be able to try-out/practice unless these requirements are satisfied.**

Spring Registration

The registration period for spring sports opened on Feb. 11 and will run until March 4. **All athletes should register online**. Go to the "Athletics" on the Shepherd Hill website.

Late Fee

All those registering after March 4th will be subject to a $25.00 late fee. Register early to avoid password and log-in problems causing you to miss the deadline.

Team-Orientation Meeting

The mandatory Team Orientation meeting will be **Monday, March 2, at 6:30 p.m. in the gym**. If you attended the fall or winter Team Orientation meeting, you only need to attend the individual team session beginning at 7:00 p.m.

Athletic Fees

The $150 spring athletic fee is **due Tuesday, March 12th.** In order for a student to begin practice or try-out, this requirement must be satisfied. To fulfill this requirement, the fee, or a written request for an extension or payment plan must be submitted. Waivers are granted to those students who qualify for the Free & Reduced Lunch Program.

Tryouts

Spring try-outs / practice begin Monday, March 16th.

WOMEN IN SPORTS

On February 7th, three of our own represented Shepherd Hill at The MIAA's Girls and Women in Sports Day at Faneuil Hall in Boston. Surrounded by 300 of the most influential female athletes in Massachusetts, **Claudia Bonaventura**, **Madison Hughes**, and **Sierra Nichols** had the honor of walking across the stage in one of the most historic buildings in the state to be recognized as successful leaders and female athletes. These young ladies heard the stories of four female honorees and trailblazers who spearheaded the efforts for female equality in athletics. It was an eye-opening and empowering experience for these young ladies to recognize the struggles, social and athletic, of the female high school athletes, coaches, and role models of the past and present. Keynote speaker Elaine Clement Holbrook, coach of the Oliver Ames High School Girls Varsity Basketball team, inspired everyone with her four main points to success. Later that night, Holbrook went on to coach the team to her 700th victory in her 44 years with the Oliver Ames Tigers, becoming the first woman in state history to reach that milestone.

Wrestling News

- **Nolan Burke** and **Ethan Ayotte** each won their 100th match for Shepherd Hill Wrestling
- **Ethan Ayotte** is your division 2 Central Champ for 182 lbs.

WHO WE ARE

The Shepherd Hill Booster Club is a parent/teacher/student run organization that offers students the opportunity to serve their school community in a positive way and, in return, potentially achieve a scholarship that may be presented to them at graduation! The Shepherd Hill Booster Club supports a wide variety of school activities including music, arts, sports, academics, clubs and activities within our school community through various fundraising efforts and merchandise sales. Without parent, teacher and student involvement, the Shepherd Hill Booster Club and its efforts will cease to exist. We do as much as possible with the resources we have based on the involvement of club members.
