All

First, as reported in an email for school closure dated 03.12.2020 or Thursday, I was just informed by a town health agent that the test of the symptomatic parent came back negative.

Next, as just reported by our Governor, all public schools will be closed through April 7, 2020. I am confident that this will be reevaluated during the coming weeks.

Our leadership team is meeting tomorrow to evolve all of our planning and we will provide additional communications to you.

Respectfully,

Steven M. Lamarche
