All,

I write to share information in preparation for Tuesday's community presentation of the Dudley-Charlton RSD Reopening Plan. A copy of the plan will be sent to all families tomorrow, Monday August 3, 2020.

Last week a draft plan was circulated to staff and the school committee for review and feedback. In addition, each building principal presented the plan to their staff. We captured a number of feedback points from DCRSD staff and will send an updated version to you tomorrow, Monday August 3, 2020.

On Tuesday, August 4, 2020 at 6:00 PM we will live stream a community presentation of the DCRSD Reopening plan on Vimeo at <https://vimeo.com/443088989> and on Zoom at <https://zoom.us/j/99149090433> where we have an increased capacity of 1,000 participants. Tuesday evening will be a presentation where you can submit questions you may have based on the presentation. A survey will be distributed on Tuesday to capture all of your questions. I am respectfully requesting that you try to hold questions until after the presentation as many may be answered in the presentation. We want to honor every question, therefore we will not provide immediate answers during or immediately following the presentation. We will review all questions submitted and report them to the School Committee the following evening, Wednesday, August 5, 2020.

On Wednesday August 5, 2020 at 7:00 PM the Dudley-Charlton Regional School Committee meeting will be live-streamed on Vimeo at <https://vimeo.com/443134808> and on Zoom at <https://zoom.us/j/91126942011> where we will have 1,000 participant slots available. Assistant Superintendent Dr. Brian Ackerman will provide a presentation of the questions submitted from parents/families from Tuesday's presentation. In addition, we have established a participant Q and A protocol for the school committee meeting that will be facilitated by Dudley Town Moderator and Dudley Middle School Principal Christopher Starczewski. A recommendation on how to proceed in the plan will be provided to the School Committee as part of the administrative presentation.

We look forward to presenting the work thus far and we know that there is more to do based on your feedback, any recommendation and as a result of a formal vote of the School Committee.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
