All,

Attached you will find the slide deck for tonight's community presentation. Also, here is the question survey link so that you can submit your questions. Our preference is that you use this survey link as it also provides us with more information as we prepare for the 2020-2021 school year reopening. There should be no restrictions on submitting a survey. The information collected will be reported out to the school committee tomorrow evening.

As a reminder you can view the presentation via live stream through Vimeo at <https://vimeo.com/event/205428> and via ZOOM at <https://zoom.us/j/99149090433> were we have an increased capacity of 1,000 participants. Tuesday evening will be a presentation where you can submit questions you may have based on the presentation. A survey will be distributed on Tuesday to capture all of your questions. I am respectfully requesting that you try to hold questions until after the presentation as many may be answered in the presentation. We want to honor every question, therefore we will not provide immediate answers during or immediately following the presentation. We will review all questions submitted and report them to the School Committee the following evening, Wednesday, August 5, 2020.

On Wednesday August 5, 2020 at 7:00 PM the Dudley-Charlton Regional School Committee meeting will be live-streamed on Vimeo at <https://vimeo.com/event/205435> and on Zoom at <https://zoom.us/j/91126942011> were we will have 1,000 participant slots available. Assistant Superintendent Dr. Brian Ackerman will provide a presentation of the questions submitted from parents/families from Tuesday's presentation. In addition, we have established a participant Q and A protocol for the school committee meeting that will be facilitated by Dudley Town Moderator and Dudley Middle School Principal Christopher Starczewski. A recommendation on how to proceed in the plan will be provided to the School Committee as part of the administrative presentation.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
