MaxorPlus COVID-19 Update

Due to recent concerns regarding the COVID-19 outbreak, we have decided to include the following benefits on the health plan, effective immediately:

- Allow early refills of all maintenance medications at retail pharmacies.
- This does not include Specialty medications or controlled substances.
- Maxor Mail Order (MXP Pharmacy) can deliver 90-day medications to your home. If you are not set up for 90 day home delivery, please call the number below or go online at www.maxorplus.com.

If you have questions regarding these benefits, please call the 24/7 customer service number listed below:
