Dear Shepherd Hill Families:

I am saddened to be writing to you again with tragic news from our school community. Last night, we were notified that Shepherd Hill School Psychologist Steve Peters was killed in a tragic accident. Mr. Peters has been with our district since 1990, and he has been an integral part of our success. For 27 years, Mr. Peters provided steady, effective support to students and served as a wealth of knowledge for fellow staff members and district families. Steve was always upbeat, professional and "all about the kids." We will miss him dearly.

If you choose to share this information with your children, and find that they are in need of further support, please know that there are tips and resources available on our website ([www.dcrsd.org/parents/health-wellness-resources](http://www.dcrsd.org/parents/health-wellness-resources)). Additionally, you may contact Shepherd Hill Principal William Chaplin ([wchaplin@dcrsd.org](mailto:wchaplin@dcrsd.org)), and he will be able to direct you to further support services that are available to your child.

Yours truly,

A handwritten signature in cursive script that reads "Gregg J. Desto".
