Great Futures Start Here

The Boys & Girls Club would like to take this opportunity to inform you about our Teen Night programming and philosophy.

Teen Night

Our activities and programs are designed to meet the needs of our members as well as to introduce them to new activities and experiences. The **goal** of our program is to offer a variety of **recreational, educational, and cultural** activities for our members and provide experiences which give opportunities for **choice, individual achievement, development of self-confidence, reinforcement of values and fun.**

Our Philosophy

The philosophy underlying Boys & Girls Club programming is the **Youth Development Strategy**. All programs and activities are designed to maximize opportunities for young people to acquire four basic "senses" which help them build self-esteem and grow into responsible and caring adults. These four senses are: **Sense of Competence, Sense of Usefulness, Sense of Belonging and Sense of Power & Influence.**

***Membership is open to all boys and girls ages 13 to 18 (18 year old must be enrolled in High School).
Membership fee is \$15.00 per year.***
