

Dudley- Charlton Education Foundation 10th Annual Appeal

Because of your past donations, through the DCEF, educators in our district can write grants to fund the implementation of creative and exciting ideas that enhance the school experience for our students. With the help of a solid educational foundation, our local schools can access funding opportunities for education in our community for the youth of today and tomorrow. ***With your continued investment, the DCEF can continue to fund programs and projects that truly make the curriculum come to life.***

With the start of the new school year the Dudley-Charlton Regional School District launched **9** new and innovative projects funded through grants from the Dudley-Charlton Education Foundation (DCEF). These Grants support all aspects of our student's education:

- STEM (Science, Technology, Engineering, and Math),
- English and Language Arts,
- Student Wellness,
- School Culture,
- Performing and Visual Arts!

We ask you again to please join with the DCEF Board of Directors and invest in the future of our district students **by supporting our Annual Appeal which is running through March 31st. In honor of our 10th year, our goal is to raise \$25,000.** Donations may be made securely, on-line at: www.dcedfoundation.org or by sending a check to DCEF, P.O. Box 92, Dudley, MA 01571.

Thank you for your support, John A. Grondalski, President
