IMPORTANT BUS INFORMATION

TRANSPORTATION CHANGE REQUESTS

School bus assignments are made on the basis of providing the most efficient and safest route to school, while attempting to achieve an equalized number of students on each bus.

Frequently, we receive requests for students to ride a different bus in order to go to a friend's house or to attend other activities. **Parents should be aware that you do not have the option to elect to have your child ride another bus for these purposes.**

We also frequently receive requests from parents who have a crucial need arising from necessary arrangements for childcare. In order to respond to specific situations relative to childcare needs and, at the same time maintain a balance in numbers of children riding school buses, we will be considering requests for alternate bus assignments in accordance with the following guidelines:

1. Any requests for change will be on a space available basis.
2. **Bus changes must be on a consistent and regular basis for the entire year.**
3. Bus changes will be considered for childcare only.
4. **Requests for bus changes will not be honored for temporary or intermittent periods.**
5. Any request for bus change must be submitted on the Transportation Request/Change Form.
6. Transportation Request Forms must be received at least three days prior to the requested starting date.

Should you have any questions regarding this issue, please contact the school office at (508) 248-4884.

IMPORTANT BUS INFORMATION

TRANSPORTATION CHANGE REQUESTS

School bus assignments are made on the basis of providing the most efficient and safest route to school, while attempting to achieve an equalized number of students on each bus.

Frequently, we receive requests for students to ride a different bus in order to go to a friend's house or to attend other activities. **Parents should be aware that you do not have the option to elect to have your child ride another bus for these purposes.**

We also frequently receive requests from parents who have a crucial need arising from necessary arrangements for childcare. In order to respond to specific situations relative to childcare needs and, at the same time maintain a balance in numbers of children riding school buses, we will be considering requests for alternate bus assignments in accordance with the following guidelines:

1. Any requests for change will be on a space available basis.
2. **Bus changes must be on a consistent and regular basis for the entire year.**
3. Bus changes will be considered for childcare only.
4. **Requests for bus changes will not be honored for temporary or intermittent periods.**
5. Any request for bus change must be submitted on the Transportation Request/Change Form.
6. Transportation Request Forms must be received at least three days prior to the requested starting date.

Should you have any questions regarding this issue, please contact the school office at (508) 248-4884.

IMPORTANT BUS INFORMATION

TRANSPORTATION CHANGE REQUESTS

School bus assignments are made on the basis of providing the most efficient and safest route to school, while attempting to achieve an equalized number of students on each bus.

Frequently, we receive requests for students to ride a different bus in order to go to a friend's house or to attend other activities. **Parents should be aware that you do not have the option to elect to have your child ride another bus for these purposes.**

We also frequently receive requests from parents who have a crucial need arising from necessary arrangements for childcare. In order to respond to specific situations relative to childcare needs and, at the same time maintain a balance in numbers of children riding school buses, we will be considering requests for alternate bus assignments in accordance with the following guidelines:

1. Any requests for change will be on a space available basis.
2. **Bus changes must be on a consistent and regular basis for the entire year.**
3. Bus changes will be considered for childcare only.
4. **Requests for bus changes will not be honored for temporary or intermittent periods.**
5. Any request for bus change must be submitted on the Transportation Request/Change Form.
6. Transportation Request Forms must be received at least three days prior to the requested starting date.

Should you have any questions regarding this issue, please contact the school office at (508) 248-4884.
