Dear DCEF Supporter:

Each year, the Dudley-Charlton Education Foundation (DCEF) awards grants to educators in our district to fund the implementation of creative and exciting ideas that enhance the school experience for our students. With the help of a solid educational foundation, our local schools can access funding opportunities for education in our community for the youth of today and tomorrow.

Although the classroom and school year look different this year, the need still exists. And although our grant process may look a little different, rest assured, all funds contributed to the DCEF will be used to support education right here in the community.

Your previous donations have made a significant impact across all 7 schools in the past 11 years. We have been able to fund more than \$300,000 for fresh and creative ventures in the classroom.

We ask you to please join with the DCEF Board of Directors and invest in the future of our district students **by supporting our 12th Annual Appeal which is running through March 31st.** Donations may be made securely, on-line at: www.dcedfoundation.org or by sending a check to: DCEF, PO Box 92, Dudley, MA 01571.

On behalf of the thousands of students impacted, and the teachers who facilitate these learning opportunities, thank you for your support!

Sincerely,

John A. Grondalski
DCEF President
