Fri, Apr 17, 2020 at 2:38 PM

All,

I have a few items for you as we all prepare for a stay-cation next week. We know these are not the best of times but we wish you and your family a change of course next week with the alleviation of some household pressures. School administrators will have availability next week, so if you need something, do not hesitate to reach out your principal.

You will receive a number of emails today as our teachers and schools prepare for the week after next. Please do not feel obligated to thoroughly read or respond today. We know that this form of communication has been overwhelming so please do not feel the pressure today.

Principals and teachers will provide you with information as we prepare for the next steps in our remote learning program starting Monday, April 27, 2020. Our teachers and administrators have worked collaboratively to arrive at this framework and we can't thank them enough for their care, professionalism and overwhelming sense of community.

Please keep in mind that we have changed our grab-n-go program for just next week. Today, families received a quantity of meals that we hope will bring you to next Wednesday, April 22, 2020 for a midday only pickup at SHRHS or CMS from 11:00 AM to 1:00 PM. We will then provide the same quantity of meals Wednesday, April 22, 2020 to hopefully bring you through to Monday April 27, 2020 when we revert back to our Monday/Friday midday and evening pickup schedule.

I am aware that communication, requests, accomplishments and expectations carry a plethora of responses. With that said, I am respectfully requesting that you take the time to complete the [2020 Census](#) as it directly impacts your community and has significant implications for your schools. We have read that if you complete the [2020 Census](#) online then a [2020 Census](#) Taker will not come to your home. To learn more about how the 2020 Census impacts our state, community and schools, please check out [Count Counts](#).

Lastly, I am thankful for your patience and your support of school staff as we actively evolve equity and access for your student(s).

Respectfully,

Steven M. Lamarche
