All,

I am writing to share a few items of importance for you.

I am proud to share the [Dudley-Charlton Educational Foundation \(DCEF\)](#) annual appeal in support of the Dudley-Charlton RSD. DCEF's mission is to promote continued educational excellence by strengthen community support and by funding programs that encourage innovation and enrichment throughout the Dudley-Charlton RSD. We have always been lucky to have DCEF support educator ideas and innovation across and now more than ever DCEF is committed to supporting all of our schools throughout this pandemic. Please see that attached appeal letter and consider donating to this grassroots community organization in support of emerging needs for many of our students during these times.

Additionally, the SHRHS Cross-Country team is putting on a [virtual 5K](#) in support of the [Friends of John-Paire Student Support Fund](#). The Friends of John-Paire was established to help all Dudley-Charlton children have access to an enriched, well-rounded educational experience regardless of economic status. To register for the race please click here: [virtual 5K](#). If you are unable to participate, you can buy a [t-shirt](#) to show your support.

Lastly, we were informed of five new cases through the weekend to include today. Only two cases required close contact tracing which is complete. The other cases were either self-isolating, quarantining, or not in attendance in school.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
