DCRSD Update 02.05.2020

Dudley-Charlton Regional School District <notifications@dcrsd.org>

Fri, Feb 5, 2021 at 6:19 PM

To: Dudley-Charlton Regional School District <notifications@dcrsd.org>

All,

I write to re-share the attached letter regarding transportation in the Dudley-Charlton Regional School District as we prepare for a transition to full in-person for 5 half days starting the week of March 15, 2021. We will continue to ask for your feedback through this [survey](#) so that we can plan accordingly for this transition.

I also want to report to you that we have been informed of eight new cases this week and only one case required contact tracing which is complete. We have observed a significant decline in the number of positive cases, quarantines and testing within the Dudley-Charlton Regional School District.

To help us prepare for March 15, 2021, we are asking that students complete the [self-certification/screening form](#) every day or five days per week. We need everyone to establish this habit as-soon-as-possible as this act continues to improve our ability to keep COVID out of our schools.

I wish everyone a great weekend, respectfully,

Steven M. Lamarche

Superintendent of Schools
