All,

We want to wish everyone a happy and celebratory 4th of July.

As a reminder we have asked for your feedback with our initial reopening family survey. At the risk of over explaining, we realized that the original link required a local sign in. That was corrected quite quickly. We also know that once that was corrected the survey required a form of sign-in as we were only accepting one survey response from individual emails. From this email forward we removed all sign-in processes.

We have received close to 800 responses to date and will leave the survey open through Monday July 6th. Please keep in mind that this is not intended to address every question or detail listed in the guidance as we continue to work on what that might look like. We will establish other opportunities for feedback through surveys as we communicate our planning this summer.

We continue to participate in weekly calls with the Department of Elementary and Secondary Education and know that we will receive updated guidance on a rolling basis this summer.

Thank you and again, have a great 4th.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
