All,

Attached you will find a draft copy of the Dudley-Charlton RSD reopening plan for your review. This plan will be presented to the community tomorrow evening at 6:00 PM via live stream through Vimeo at (this is a new URL)

<https://vimeo.com/event/205428> and via ZOOM at <https://zoom.us/j/99149090433> where we have an increased capacity of 1,000 participants. Tuesday evening will be a presentation where you can submit questions you may have based on the presentation. A survey will be distributed on Tuesday to capture all of your questions. I am respectfully requesting that you try to hold questions until after the presentation as many may be answered in the presentation. We want to honor every question, therefore we will not provide immediate answers during or immediately following the presentation. We will review all questions submitted and report them to the School Committee the following evening, Wednesday, August 5, 2020.

On Wednesday August 5, 2020 at 7:00 PM the Dudley-Charlton Regional School Committee meeting will be live-streamed on Vimeo at (this is a new URL) <https://vimeo.com/event/205435> and on Zoom at <https://zoom.us/j/91126942011> where we will have 1,000 participant slots available. Assistant Superintendent Dr. Brian Ackerman will provide a presentation of the questions submitted from parents/families from Tuesday's presentation. In addition, we have established a participant Q and A protocol for the school committee meeting that will be facilitated by Dudley Town Moderator and Dudley Middle School Principal Christopher Starczewski. A recommendation on how to proceed in the plan will be provided to the School Committee as part of the administrative presentation.

Please note that we know this is an imperfect plan during an imperfect time in our lives.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
