DCRSD Update 10.27.2020

Dudley-Charlton Regional School District <notifications@dcrsd.org>
To: Dudley-Charlton Regional School District <notifications@dcrsd.org>

Tue, Oct 27, 2020 at 7:37 AM

All,

As shared yesterday, [10.26.2020](#), the Dudley-Charlton RSD experienced our first school community positive COVID-19 case. I write this morning to inform you that all impacted students and families have been contacted by the Charlton Heath Nurse.

We know this is not easy information to receive and we continue to work closely with our Boards of Health, Heath Director and Health Agent.

We appreciate the feedback we received as a result of this experience.

Respectfully,

Steven M. Lamarche

Superintendent of Schools.
