DCRSD Update 11.17.2020

Dudley-Charlton Regional School District <notifications@dcrsd.org>
To: Dudley-Charlton Regional School District <notifications@dcrsd.org>

Tue, Nov 17, 2020 at 4:32 PM

All,

I was notified this afternoon that we have three (3) new positive COVID-19 cases in our educational community. All contact tracing is complete.

Remember, all close contacts will be contacted by a health agent.

We continue to have no evidence that these positive COVID-19 cases are a result of attendance to in-person learning in the Dudley-Charlton RSD. We appreciate our families and staff members who self-identify the symptoms of COVID-19 and stay home and contact a doctor or get tested. We respect your proactive efforts to keep COVID-19 out of our schools.

Lastly, communication from your home to school with our school nurses continues to be very effective with our record-keeping and ability to understand the detailed circumstances of all positive COVID-19 cases in our educational community. Our nurses remain confidential and committed to the health, safety and well-being of all Dudley-Charlton families.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
