DCRSD Update 12.04.2020

Dudley-Charlton Regional School District <notifications@dcrsd.org>

Fri, Dec 4, 2020 at 7:06 PM

To: Dudley-Charlton Regional School District <notifications@dcrsd.org>

All,

I am writing to share that we were informed of two new positive COVID-19 cases today in our educational community. Both cases did not require contact tracing as both individuals were not in our facilities after the Thanksgiving break.

In addition, both cases continue to prove that self-isolation and following quarantine requirements work. If exposed to a positive COVID-19 case at home or through home activities, please self-isolate and contact your school nurse. If exhibiting any of the symptoms in the self-certification/pre-screening tool please stay home and contact your school nurse.

We continue to appreciate everyone's effort to communicate with our school nurses who are working extremely hard to preserve accurate records, communicate with local health officials and uphold the highest standards of confidentiality.

Respectfully,

Steven M. Lamarche

Superintendent of Schools
