Communication with the Public, School Sponsored Releases, Community Information Sent Home with Students

#### Communication with the Public

It is the desire of the school committee that two-way channels of communication be kept open at all times between the school district, and the people of the school district. The school committee's responsibility is to create and maintain schools that provide the best education possible. It will do its best to keep the people informed of the affairs of the school system via the district website.

To ensure open communication, the school committee chair welcomes comments through the webpage.
