IJOA - School Sponsored Field Trips – The subcommittee agreed the forms will provide a process for the requests that must go before the school committee. Under MGL, all out of state field trips are required to be approved by School Committee. Often, information is missing, such as costs to students, for use of district bus and district drivers.

The School Committee approved amendments to policy IJOA second reading at its meeting June 11, 2019. The subcommittee is working on forms, which do not need committee approval, but which will be used to present requests to them for approval.
