3. Communications

The communication received regarding Policy JE will be discussed during the review of the policy itself.

4. Feedback in preparation for School Committee Action

- KCD - Gifts and Donations - Adoption

In section B of the Policy, the wording has been changed from “less than” to “not exceeding” so the same wording is used throughout the policy.

- JE - School Attendance - Adoption

Communication was received from a parent regarding Policy JE stating they wish to be given assignments early if they know their child will be absent for a particular reason.

After much discussion, the subcommittee acknowledges that teachers do everything they can to make instructional adjustments, but daily instruction can change and it is not the teacher’s responsibility to prepare for somebody’s vacation, or personal planned reason for being out of school.

Teaching is very ebb and flow based on individual needs in the classroom.

The Policy will remain as is.
