Minutes

1. Open and Welcome

The meeting was called to order at 11:05 AM

2. Approval of Minutes – Meeting of Friday, November 19, 2021

A motion by K. Laferriere, second by J. Terry to approve the minutes of the Friday, November 19, 2021 meeting was approved unanimously.

3. Update Town Meetings

- Dudley Jan. 10, 2022

Most of the time was spent discussing the highest priority Capital Projects. The presentation seemed to be well received. It was recognized that this is just the initial stage of the public rollout, but seemed to go over well.

Dudley invited DCRSD back to attend a Capital meeting with their subcommittee, but no specific date has been set at this time.

- Charlton Jan. 25, 2022

The goal is to maintain the same momentum during the Charlton meeting.

4. Update on Capital Plan

The School Committee will need to vote to authorize the plan before it can fully be presented to the towns.

The next step is to present the towns with the items that are needed, and allow them time to find the money to pay for those items. Once the money is obtained, the subcommittee can tweak the assessment they provided to the town once they know the money is actually there.

The quotes for the radio project came back as expected and it is a reasonable cost factor. Cameras will be reviewed with a vendor on Friday, January 28th.

The subcommittee will need to construct a very specifically worded ballot that will allow them flexibility when it comes to potential extra budget money.

5. Future Agenda Items

Tier two budget items

6. Adjourn

The meeting was adjourned at 11:30 AM
