

Dear School Coordinator,

We hope you had a great summer and are as excited about the upcoming 2019–2020 season as we are. The forecast is calling for another great winter -- among the improvements you'll see on the mountain this winter are upgraded lighting on all the trails.

As you prepare for the upcoming season, remember to always carry your EZ Ski Card in a pocket by itself. Also, do not bring your EZ card when skiing at another time, it will subtract a week from your school program. We also want to remind you about our online registration process and your program code which allows parents to purchase their child's program services.

Program: **DUDLEY MIDDLE SCHOOL**
Coordinator: **CARL STRAZZULLO**

Parents can start ordering program services **October 7, 2019**.

Parents Step ONE: Sign up with Coordinator and pay the bus fee (if applicable) in order to receive the code. (Note: new codes this year)

Parents Step TWO: Go to www.wachusett.com/schoolgroups

Parents Step THREE: Enter this Code: **DUDM** to access your program's form.
