# MANIFESTO

There are lots of ways to be a kid.

My way is to take a road that's not easy.

It winds through woods and goes up steep hills,

So it's a good thing I'm an adventurer.

That's why I'm going to be a Cub Scout.

Because Scouting will guide me to really big things.

It will teach me to navigate the woods with confidence

And navigate the world with confidence, too.

The Scouting road will start with my very best "right now" self,

And will lead me to my very best future self.

Scouting will show me a kid who is brave, trustworthy, loyal and kind.

A kid who is always prepared.

A kid who is me.

Because there are lots of ways to be a kid.

And my way is in the Cub Scouts.

So Scout Me In.

Join us for some summer fun!
