The Shepherd Hill Booster Club is a parent/teacher/student run organization that offers students the opportunity to serve their school community in a positive way and, in return, potentially achieve a scholarship that may be presented to them presented at graduation! The Shepherd Hill Booster Club supports a wide variety of school activities including music, arts, sports, academics, clubs and activities within our school community through various fundraising efforts and merchandise sales. Without parent, teacher and student involvement, the Shepherd Hill Booster Club and its efforts will cease to exist. We do as much as possible with the resources we have based on the involvement of club members.

We are personally inviting you to become a member of the Shepherd Hill Booster Club so that we can continue to flourish and give back to our student and school community for years to come. We understand work/life balance and busy schedules... but a little bit of your time for a few hours at a couple of events is greatly appreciated! Membership is also a great opportunity for parents and their students to stay connected, learn about what’s going on within our school environment and to build lasting friendships with club members. More people = Great ideas and Giving Back More!

Questions, feedback and/or suggestions for the Shepherd Hill Booster Club are always welcome!
