

SHEPHERD HILL REGIONAL HIGH SCHOOL

Morning Announcements

Day 1 ODD

Thursday, October 11, 2018

1. **Attention Students who have their permits/driver's license:** If you would like to be part of an amazing experience that focuses on the importance of awareness regarding the risks of distracted driving, please sign up in the cafeteria during lunch today, Thursday or Friday. Your appointments will be scheduled for next week. You will get firsthand experience of how distractions interfere with your ability to react on the road, see hidden hazards and avoid accidents while safely behind the wheel of a driving simulator. It's real. It's useful. And it's memorable. Space is limited!
2. **Students who signed up for Distractology:** If you still need to give Ms. Gustafson your license #, please stop by her room (207) Thursday or Friday to give it to her. You will receive your appointment card on the day of your appointment. Be sure to hold onto the appointment card and be prompt. You will need to check in with the main office before going to the Distractology Trailer.
3. **Attention Seniors:** Tomorrow (Fri., Oct. 12) is the last day to sign up for the **Decision Days for Becker College and Nichols College**. If you want to take part in either decision day you must sign up with Mr. Gendron in guidance before the end of the day tomorrow (Fri., Oct. 12).
4. The topic for the **Lion's Speech Competition** is "**Integrity: What does it look like?**" Please see Mrs. Cormier in room 226 for more information.
5. The **Boys & Girls Club of Webster** is offering a **Teen Program** for members ages 13-18 on Tuesdays & Wednesdays from 6-9 pm. Come shoot pool, play basketball, enjoy video games, use their computers and Wi-Fi and make new friends. For more information, check out the flyer that was emailed to all students!
6. Are you looking for extra help with your classes to improve your grades or strengthen your academic skills further? **Peer tutoring** will take place in the library on Tuesdays after school from 2:30-3:30 every week. See Mr. Gendron in guidance so he can find a tutoring match for you. Mr. Gendron will also be available in the library every Tuesday afternoon to set tutoring up as well.
7. Do you need to get organized? **Student Agenda Books** are on sale in the main office for only \$3
