

SUMMER READING 2018

This summer, all students are required to read at least one book from this year's summer reading list. **Books required for AP classes do not count towards summer reading.** This year's list was compiled with input from Shepherd Hill students and faculty, and it greatly reflects the data we received from student surveys. With forty books on the list, and a variety of genres, there should be at least one book for everyone. Students may choose any book from the list; they do not need to choose a book selected by one of their own teachers. Students' English teachers will assess them on their knowledge of their book in the fall.

For more information on any of the books, check out www.goodreads.com. All books will also be on display in the Shepherd Hill Library prior to the end of the school year. Summer reading books purchased at *The Booklover's Gourmet* in Webster will receive a 10% discount. Happy reading!
